

# "ROCKEN" CLUBS & ACTIVITIES

Rockenbaugh Elementary School has clubs...lots of clubs...before school and after school! We are fortunate to have teachers and parents who volunteer their time and talent to enrich the lives of our children through before/after school activities. Our children are privileged to participate. Please select a club that your child will enjoy!

## Choosing a Club For Your Child:

### *Your Child's Interests*

\*Our clubs are designed to be fun. Please choose a club your child is interested in and wants to join. (Please note that our clubs are designed for enrichment, not remediation.)

### *Your Child's Schedule*

\*Please do not over-book your child. The club sponsors have created a schedule with as little club conflict as possible. However, some overlap was unavoidable.

### *Your Ability to Help*

\*Some clubs require parental assistance to run. Please be willing and able to assist as needed.

## With Privilege Comes Responsibility:

### *The Child's Responsibility*

\*Good behavior is a must!!

### *The Parent's Responsibility*

\*Know the club meeting times and dates. Send a note to your child's homeroom teacher every time. Name and phone number of the person picking up your child is required if someone other than parents. Homeroom teacher is not responsible for child's club schedule.

\*Know the dismissal procedure and when/where to pick up your child. Please be prompt.

\*Drive slowly and maintain a single file line in the bus turn-around and car pool circles.

\*Children in K, 1st and 2nd grades are not allowed to go home unsupervised after a club. A parent or other designated adult must pick them up.

## Enrolling in a Club:

\*Club descriptions and registration forms will be posted at RESPTO.com the first week of school.

\*After selecting a club that is right for your child, please follow the registration procedure outlined on the information page. (Most clubs have a simple registration form, which needs to be completed and returned by a set deadline.)

\*Limited Enrollment Clubs: If a club with limited enrollment receives more registration forms than available spots a random drawing will be done. You will be notified as to your child's acceptance and semester assignment.

\*Please keep the club information page as a handy reference for club dates, times, pick up locations, etc.
