

## **Bluebonnet Book Club**

### **Description:**

The Bluebonnet Book Club is a great way for 3<sup>rd</sup> and 4<sup>th</sup> graders to achieve their Bluebonnet reading goals and experience the pleasure of discussing a great book with friends. Each week the Librarian will read a selected Bluebonnet Book to the children in attendance along with additional activities related to the reading. Those children will receive credit on their Bluebonnet Record and will not be required to submit a written Bluebonnet Book Report. Children must be present for the entire book to receive credit. Some books will take several sessions to complete.

### **Please Note:**

Students may attend the club whenever they are interested in the particular book being read by the Librarian. Students do not have to attend Bluebonnet Club for all three books. Students should attend for the book(s) they want to receive Bluebonnet credit.

Students who become disruptive will place a phone call to their parents. Three phone calls for behavior disruptions will result in loss of privilege to attend club.
