

Lab Assistants

Description: Lab Assistant is a service opportunity available to all 4th grade students. Lab assistants will perform a few simple chores including taking down the lab stools, sharpening pencils, feeding some of the animals, and checking all animals for water. When finished with their duties, they will be allowed to hold several animals such as the tortoise, the hamster, or the leopard gecko. Students are trained during the first few days of each 4 week session.

Sponsored by: Ginger Jones (Science Teacher)

Grade: 4th

Where: Science Lab

When: 7:45 - 8:00AM each morning for a 4 week session. Special transportation is not required. Students begin when their bus or transportation arrives.
